

Geo IT & Prototyping intern/working student (m/w/d)

Work at LiveEO in the vibrant Berlin Start-Up ecosystem

At LiveEO you will be working as an essential part of product development in a Berlin-based space Start-Up. Take our products to the next level and help us bring earth observation to the enterprise sector. Your task is to create analytical product prototypes for new business opportunities and iterate them with our business development team and potential customers. You will see how we turn your ideas and concepts into a production architecture in the Amazon Web Services cloud to scale it over entire countries.

Work at LiveEO

We are a dynamic, open-minded, and diverse team with flat hierarchies, spanning different nationalities from all over the globe. We're excited about space, satellites and new possibilities to disrupt markets with state-of-the-art earth observation technologies. We are conveniently located in the center of Berlin-Kreuzberg at Gitschiner Str. 94.

Your challenges

- Process commercial and public satellite data with QGIS and Python.
- Build prototypes of analytical products for asset monitoring via satellite data.
- Prepare customer demos together with our tech and business team.
- Participate in an agile product development process.
- Work together with our specialists to transform your prototypes into products

Your profile

- Graduate student or recently graduated in the field of Geo-IT or a comparable major
- Experience with QGIS to process vector and raster data for geanalytics and remote sensing.
- Experience in Python programming and especially GeoPandas is a big plus.
- Experience in SQL (especially PostgreSQL/PostGIS) is a big plus.
- Multi project management skills are required.
- Fluency in English for verbal and written communication is required.
- You live in or are willing to relocate to Berlin.
- We would like to encourage female applicants as well as applicants with a migratory background.

Your benefits

Geo IT & Prototyping intern/working student (m/w/d)

- The opportunity to help create a product that can improve business processes & life across the globe
- Front row seat in the development of a multinational market leader in a new industry
- Flat hierarchies as well as short and open communication
- Start-up culture with a high degree of freedom and responsibility
- Fair compensation
- Office located in the center of Berlin Kreuzberg, free fruits & drinks
- Flexible home office arrangement & working hours
- International team and frequent team events

Interested in this position? Send your CV and a short cover letter to jobs@live-eo.com and we will get to you as soon as possible.
